

Growth Mindset Pencil Toppers

Big Life Journal

These pencil toppers are a great way to make writing more fun and inspiring! You can also use them on pens and markers. Remember to make a few of these toppers for your friends and classmates to inspire and encourage them too!

How To Make

- 1 Print and cut out the pencil toppers.
- 2 Cut in the middle along the dotted lines. It is easier to cut if you fold the flag gently, without creasing, and making a small cut.
- 3 Slide a pencil through the open slots.
