

Maths:

- How can we make the number 5? This half term we will continue to explore number bonds to 5 (and then 10) using 10 frames and part-whole models.
- Introduction to the symbols used for addition and subtraction
- Properties of 3D shapes

Personal, Social & Emotional Development (PSED):

This half term we will be discussing how Sarah, Percy and Bill felt at different stages of the Owl Babies story.

Communication & Language:

This half term, we will be focusing on retelling stories by our author of the half term.

We will be developing our listening skills and answering 'how' and 'why' questions based on stories we have read.

Spring 1 Knowledge Organiser

Vocabulary:

Number bonds, 10 frame, part-whole model, 3D shape, labels, captions, light and dark, healthy eating, hygiene, nocturnal

Literacy:

Our author of the half term is Martin Waddell.

This half term we will be completing lots of activities based on the 'Owl Babies' story. This includes sequencing the beginning, middle and end, and adding labels and captions to different aspects of the story.

We will also continue to practise writing **red** and **green** words.

Physical Development:

To negotiate space successfully when playing racing and chasing games, adjusting speed or changing direction to avoid obstacles.

We will also be learning about how to stay healthy e.g., hygiene and diet.

Understanding The World:

Our topic for this half term is light and dark. We will be learning about animals that come out in the day/night. We will also be discussing why we have day and night. The children will be recording their findings in different ways e.g., fact files.
